Please Note: If your computer has a microphone, it should be possible to both listen to and participate in the meeting through Zoom. If you do not have a microphone or a headset with a microphone that plugs into your computer via USB port, you will need to call the toll-free telephone conference line to listen and comment, although you still should be able to view the meeting materials on Zoom. Please do not simultaneously use a microphone through Zoom and the telephone conference line, as it results in audio problems for all participants.

***To provide comments from your phone:*** To provide comments when prompted using a phone, press \*9 to raise your hand. Pressing \*9 again will lower your hand.
