SUBJECT: Assessment District No. 2008-1 (Rodeo Flat) Special Assessment Levies for FY 2023/2024 (Consent)

RECOMMENDATION:

Adopt attached resolution (Acting as the Legislative Body of Assessment District (AD) No. 2008-, Authorizing the Levy of Special Taxes Within AD No. 2008-1 for Fiscal Year 2023-2024), and receive the Fiscal Year 2022-2023 Annual Report.

BACKGROUND:

In order to levy special taxes (for collection on the County's tax rolls), a resolution is needed each year prior to the submittal deadline established by the County of Nevada Auditor/Tax Collector. The resolution must be transmitted to the County by July 1, 2023. Annual Final Reports are attached herein and remain on file at the District and are available to the public for review.

The District established the Rodeo Flat Assessment District (2008-1) for the purposes of issuing bonds to fund infrastructure improvements benefiting the parcels within the District. The bond debt is paid annually with the revenue received from the annual assessments paid by the parcels with in the District. There are a total of 21 parcels within the District.

CONCLUSION:

It is in the best interest of the District to levy the proposed assessments to allow for payment of the debt service associated with the District.

BUDGETARY IMPACT:

For tax roll budget year 2023/2024, an estimated \$42,169 in net assessment fee revenue would be collected for Fund 22, Rodeo Flat, if 100% percent collection is made.

DISTRICT SUMMARY

Nevada Irrigation District (“NID”) established Assessment District No. 2008-1 (Rodeo Flat) (the “District”) in 2008. NID issued the Assessment District No. 2008-1 (Rodeo Flat) Limited Obligation Improvement Bonds, (the “Bonds”) to fund certain improvements within the District. The improvements consist of a booster pump station, a future water storage tank, water distribution pipelines (water mains), and related appurtenances, including fire hydrants. The new treated water facilities will be available to 36 parcels in the District. All parcels will have frontage on one of the water mains and all will have the opportunity to connect to the main. The intent of this project is to provide residential water service to each parcel that can be served by the facilities and to install additional capacity to allow NID to extend the facilities to serve parcels that lie beyond the District boundary.

In addition to the improvements for the District, NID received inquiries from property owners interested in financing the Drop-In Fee and Capacity Charge (the “Connection Fees”). The Connection Fees pay for the treatment plant, storage, pump stations, and water transmission mains that will deliver the treated water to the new distribution lines. To accommodate those wishing to finance the Connection Fees, NID allowed property owners the option to finance the Connection Fees prior to Bond issuance. Property owners desiring to finance the Connection Fees added an additional \$6,888.04 to the approved special assessment of \$24,166.67, resulting in a total special assessment amount of \$31,054.71. NID received 13 property owner requests to finance the Connection Fees for a total Connection Fee amount of \$89,544.52. In addition, 11 property owners chose to prepay the assessment prior to the issuance of debt.

For internal tracking purposes, Appendix B of this report provides both the combined debt service schedule for the District, as well as debt service schedules that separate the total Connection Fee amount from the remainder of the District’s debt.

The District matures with the final scheduled debt service payment on September 2, 2033.

Levy

The following table provides a summary of the Fiscal Year 2022/23 final levy amount.

Description	Parcel Count	FY 2022/23 Levy
A.D. No. 2008-1 (Rodeo Flat)	21	\$42,346.18
Totals:	21	\$42,346.18

Funds

NID completed the District’s improvements and closed the Improvement Fund.

A surplus of approximately \$46,900 exists in the Redemption Fund after meeting the September 2, 2022 debt service payment and Fiscal Year 2022/23 estimated administrative expenses. NID should verify the fund balance and use the available surplus to call bonds ahead of scheduled maturity.

The Special Reserve Fund balance currently meets the Reserve Requirement. NID should hold the difference between Reserve Requirement and the IRS Size Limitation in the Redemption Fund to be used for future allocation of prepayment credits to the levy.

Delinquencies

As of June 30, 2022, there were no delinquent parcels. NBS will continue to monitor delinquencies within the District and recommend delinquency management actions, as needed.
