

Staff Report

TO: Board of Directors

FROM: Jennifer Hanson, General Manager
Desiree Ince, Accountant

DATE: May 8, 2024

SUBJECT: Warrants, Project and Facility Report, Payroll Fund Certificate, and Investment Report (Consent)

FINANCE

RECOMMENDATION:

Ratify the issuance of warrants by receiving and filing the check registers, the Project and Facility Report, and the Investment Transaction Report for the period April 13th through April 26th.

BACKGROUND:

Check register report:

When directly allocable, warrants (checks paid) are posted to projects and facilities. The check register report is organized to provide a check register for each fund (Water, hydroelectric, recreation, capital funds, and internal service fund.) Accordingly, it is possible that a payment to a vendor could be listed with the same check number several times throughout the report since the payment is allocable to several funds.

Project and facility report

This report provides total spending on a given project or facility. Certain project numbers are created to track operating expenses for grant accounting, reimbursable billing, insurance claims, etc., while others are budgeted as capital

projects. The District's current accounting system is limited and cannot record capital projects in progress at the facility cost accounting level.

The report is not intended to determine if project spending is within budget as the report includes staff labor costs and benefits as well as other direct costs for the projects and facilities. Labor/benefit costs and direct costs are budgeted and accounted for separately in the District's annual budget. This report, however, is informative as it provides the Board with an understanding of the level of activity occurring with the management of resources for the projects and facilities.

Investment Transaction Report:

This report is provided in accordance with Government Code Section 53607 and Investment Policy 3035.16, listing monthly transactions.

BUDGETARY IMPACT: N/A
