**RECOMMENDATION:**

Approve a contract with C&D Contractors, Inc. in the amount of \$299,974.00 for construction of the Brewer Road Extension Project, approve the attached budget amendment and authorize the General Manager to sign the appropriate documents.

**BACKGROUND:**

This project is located on Brewer Road and will extend from the end of the 12" BEP pipeline north to the intersection with Clover Valley Road. The project will replace the existing 6" pipeline and connect the new 12" pipeline to the 8" pipelines on Brewer Road and Fay/Clover Valley Roads to complete the pipeline portion of the north end of the Alta Sierra to LOP BEP pipeline.

Quotes were requested from nine firms, and the following five quotes were received on November 30, 2017:

C & D Contractors, Inc.	\$ 299,974.00
McGuire & Hester	\$ 364,150.00
Hansen Bros. Enterprises	\$ 406,053.00
Western Engineering Contractors, Inc.	\$ 431,300.00
T&S Construction Co. Inc.	\$ 451,862.00

Staff recommends that the Board award the construction contract to C & D Contractors, Inc. in the amount of \$299,974.00.

**BUDGET IMPACTS:**

Funding for the project comes from two sources:

- \$77,025.97 of the project funding comes from 2017 Non-Programmatic Budget Program (10151-52915). There will be \$847,525.54 remaining budget after this project commitment for 2017.
