Campground 2021 Update:  
Scotts Flat, Orchard Springs, Long Ravine,  
Peninsula, Greenhorn, Combie, Jackson Meadows and  
Bowman Corridor

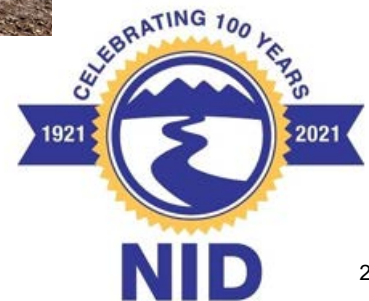

# 2021 Activities

- Reservations opened January 4, 2021
- Hazard tree work at all the campgrounds, all season long
- Massive cleanup, all campgrounds
- Temporary labor staffing shortage
- Opened for summer camping May 21<sup>st</sup>, group sites opened June 15<sup>th</sup>
- Our stores were closed, Scotts and Long Ravine Marina open for fuel sales
- A few of our church and school groups returned after 2020 COVID19
- Fire restrictions effective June 17<sup>th</sup>, all lower division campgrounds
- River Fire August 1<sup>st</sup> evacuated Orchard Springs, Long Ravine and Peninsula Campgrounds
- July – September cancelations due to COVID19, fires and smoke
- Biggest issue clogged sewer lines due to hand wipes
- Water levels low, many lake hazards for boaters
- Vehicle and OHV use on shorelines and lake bottoms a problem
- Mooring ball and boat slip renters in water their full contracted time
- Continue working with our new strategy for night security patrols
- Official end of camping season September 30<sup>th</sup> and the work begins for the 2022 season!

Shoreline  
Issues

# Scotts Flat Campground

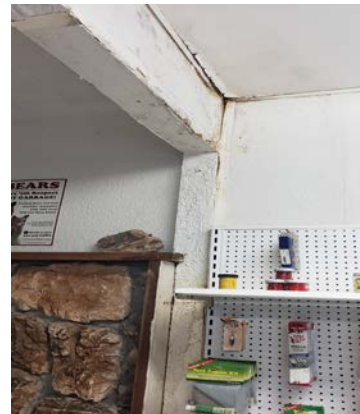

## Projects Completed

- Retaining wall replacement
- Modified our check-in process
- Added rock around the fire rings
- With the low water levels staff was able to reset the mooring ball lines and gas dock lines

## Future Projects

- Upgrade the play area
- Site pad upgrades
- Store and marina roof replacement

### Roof Repairs and Leaks

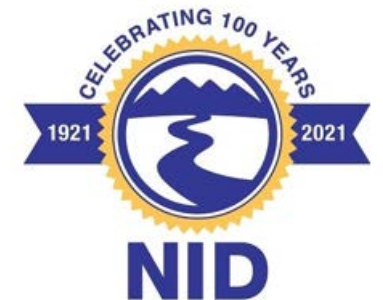

### Retaining Wall Replacement

### Stair Replacement

### Fire Ring Safety

# Orchard Springs Campground

## Projects Completed

- Camp host house kitchen and bathroom repair
- Meadow stage repair
- Chicago Park School Track Meet

## Future Projects

- Order picnic tables and umbrellas for the store picnic area
- Install a shade structure over the picnic and play area

Stage Repair

# Long Ravine Campground

## Projects Completed

- Safety precautions added to the boat slip entry
- Daily monitoring of the boat slip area and entry due to water levels

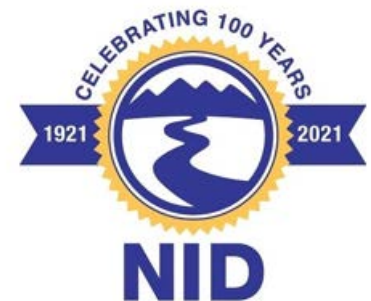

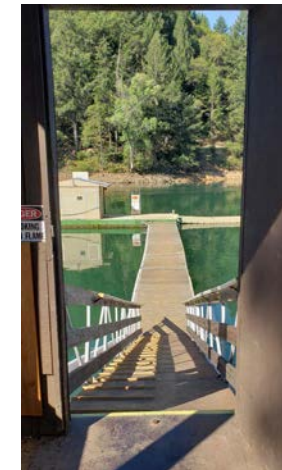

## Future Projects

- Store roof replacement
- Develop the picnic area above the boat slip area

Roofing Replacements

Boat Slip Entry

# Peninsula Campground

## Projects Completed

- Hazard tree work
- Plumbing repairs

## Future Projects

- Creating a day-use/swim area
- Store roof replacement

Plumbing Repairs

# Greenhorn Campground

## Projects Completed

- Assisted the Liserra's (concessionaire) with the planning and replacement of the old sewer pumps
- Worked with the Liserra's on issues and problems at the campground

## Future Projects

- Assisting the Liserra's with their 2022 rate increases
- Continued team approach to issues

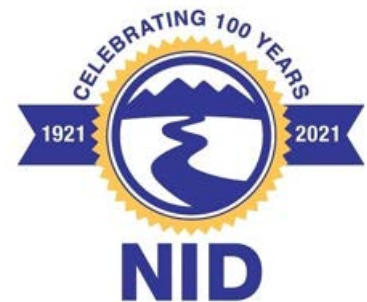

# Combie Reservoir

## Projects Completed

- Brought the Combie dock owner files up to date; verified ownership, made sure insurance information and payments were up to date

## Future Projects

- Work with NID's Encroachment Dept. on the unauthorized encroachments

# Jackson Meadows Campgrounds and Bowman Corridor Camping

## Projects

- Major focus fixing water leaks
- Able to get the spring field at the Woodcamp water tank back flowing
- Installed water restrictors on all the water spigots

## Future Projects

- Have a seamless transition with the USFS and continued working relationship in the Jackson Meadows area
- Help USFS with the spring field at the Aspen water tank
- Focus on NID owned campground
