FROM: Cameron S. Price, Maintenance Superintendent for 
Steve L. Prosser, Jr., Director of Maintenance

DATE: May 24, 2023

SUBJECT: Purchase of One 1.5-ton Flatbed Truck (Consent)

MAINTENANCE

RECOMMENDATION:

Adopt a resolution amending the 2023 Annual Budget Fund 15, to increase the authorized budget for the purchase of a 1.5 -ton flatbed truck by \$3,000, for a total purchase authorization of \$88,000, approving the purchase of one new 2023 Ford F-550 4x4 Flatbed Truck in the amount of \$87,911.14 from Geweke Ford of Yuba City, and authorizing the General Manager to execute the appropriate documents.

BACKGROUND:

This truck is a direct replacement of a 2007 GMC 3500 4x4 Flatbed Truck, which is a severe duty truck that tows equipment 90% of its duty cycle. Factory parts are no longer available and aftermarket parts are difficult to find. This vehicle also has a “check engine light” warning that is proving difficult to troubleshoot. Given these maintenance and repair issues, this vehicle should be retired and sold at auction (NID Asset #9648). California has also adopted new zero emissions regulations that will impact the purchase of this line/type of on-road vehicle beginning in January 2024.

BUDGETARY IMPACT:

The Purchasing Department solicited a Request for Quotation (RFQ) from seven (7) vendors and received the following bids/proposals from two (2) of the vendors that were solicited:

Bidder	Total Purchase Price
Geweke Ford	\$ 87,911.14
Winner Chevrolet/Lasher Dodge	\$104,480.00
Corning Ford	Non-Responsive Bids
Hoblet Dodge	
Maita Chevrolet GEO Elk Grove	
National Auto Fleet Group/Sourcewell	
Ron Dupratt	

FISCAL IMPACT:

The 2023 Maintenance Budget includes \$85,000 for this purchase. The actual cost will exceed this amount by \$2,911.14. Accordingly, an amendment will be necessary to increase the budget by \$3,000 for a total purchase authorization of \$88,000. It is recommended that the additional monies be allocated from the unassigned fund balance of Fund 15. Any impact to the projected year-end fund balance will be reconciled at the mid-year budget adjustment.
