- Voting
- Review & Wordsmithing

October 11, 2022

Public Comment: None

The meeting recessed at 3:50 p.m. and reconvened at 3:56 p.m.

Group work resulted in the following:

Long-term Infrastructure Reliability

NID will plan and invest in infrastructure to maintain and improve service levels and revenue.

Employee Investment

NID will prioritize and invest in our employees in order to attract and retain top talent and increase employee engagement.

Watershed Stewardship

NID will protect and improve the quality and health of our watersheds to enhance our water supply.

Financial Sustainability

NID must develop a sustainable financial model that will manage and obtain the funds necessary to ensure the long-term delivery of water.

Technology & Innovation Investments

NID will integrate technology and data collection to increase efficiency, knowledge, and system security in order to decrease costs and increase production.

GOALS

Group work was done to develop and propose goals for each strategic priority. Each group will share their proposed goals at the next Plan for Water Workshop.

MEETING ADJOURNED at 4:56 p.m., to reconvene in regular session on Wednesday, October 12, 2022, at 9:00 a.m. at the District's Business Center located at 1036 West Main Street, Grass Valley, California.
