

**RESOLUTION NO. 2022-49**

OF THE BOARD OF DIRECTORS OF THE NEVADA IRRIGATION DISTRICT

**ADDITION OF INFORMATION TECHNOLOGY NETWORK ANALYST  
JOB DESCRIPTION**

**WHEREAS**, the Nevada Irrigation District (the "District") has created a new Information Technology Network Analyst job description to design and support the IP network with a focus on security; and

**WHEREAS**, the addition of this position will provide a unique skillset that is required with the growth of technology and the complexity surrounding the network infrastructure.

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Directors of Nevada Irrigation District:

1. The Board of Directors hereby approves the job description for Information Technology Network Analyst; and
2. The Board of Directors hereby approves the amended Wage Schedule to add the Information Technology Network Analyst classification; and
3. The Board of Directors hereby approves the updated Unrepresented Employee Benefit and Compensation Plan.
