Hydroelectric Communication Technician I/II – Internal only

Hydroelectric Communication Technician I: \$33.41 - \$40.60/hour
Hydroelectric Communication Technician II: \$36.90 - \$44.86/hour

FILING PROCEDURE AND DEADLINE:

Applications must be received by 5:00 pm, Monday August 14th. A completed Nevada Irrigation District internal application is required for this position. A resume is strongly encouraged.

DEFINITION:

To perform semi-skilled and skilled duties related to the operation of the District's hydroelectric generation plants; to install, maintain, troubleshoot and repair of electrical, electronic, control, and telecommunication equipment and instrumentation associated with the District's hydroelectric facilities; and to ensure work is performed in a safe manner.

EXAMPLES OF DUTIES:

See attached class specification for more details.

GENERAL QUALIFICATIONS and SPECIAL REQUIREMENTS:

Education: **Hydroelectric Communication Technician I/II:** Equivalent to the completion of the twelfth grade supplemented by course work in electrical theory, telecommunications, electronics, or related field.

Experience: **Hydroelectric Communication Technician I:** One year of electronic and/or telecommunications experience is desirable.
Hydroelectric Communication Technician II: Three years of responsible experience similar to Hydroelectric Communication Technician I with the Nevada Irrigation District.

Licenses: **Hydroelectric Communication Technician I:** Possession of a valid CDL.
Hydroelectric Communication Technician II: Possession of a valid CDL, Possession of, or ability to obtain, a valid General Class Radio-telephone License from the Federal Communication Commission.

APPLICATION AND SELECTION PROCEDURE: District applications may be obtained from the District offices at 1036 W. Main Street, Grass Valley, CA 95945 (530) 273-6185 or by accessing our website at www.nidwater.com. The preparation of application materials is the first test in the examination process. Application materials received in the Human Resources Department will be evaluated for completeness, legibility, ability to follow directions, and related education, training and experience. The hiring department then will conduct a selection interview of those eligible candidates whose qualifications most closely match current needs and make their final selection.
